

Physician Documentation Report

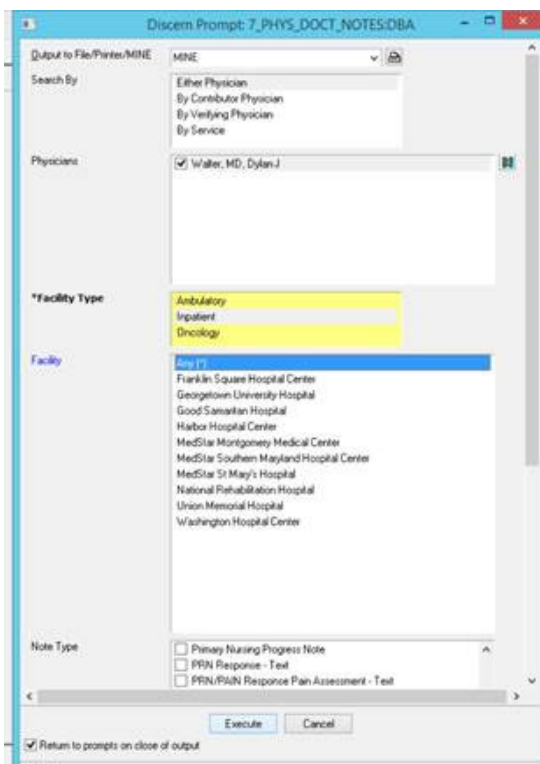

In the MedConnect grey banner bar, click the “Discern Reporting Portal” button

In the search field, type “Physician Documentation” (to save the report as a favorite, click the star)

Select “either” for first field, search your name and select it in the physician field, select “any” for facility, select the Note Types, select date range (**you can only run 30 days at a time**)

To export to Excel, click the top left square to select all, then Ctrl + C to copy, open excel and Ctrl + V
