

MedStar Health

**myCare Connect
makes appointment
scheduling easy
for you.**

**It's how we
treat people.**

With myCare Connect, a dedicated care navigator assists with scheduling your appointments for primary and specialty care with MedStar Health providers.

The new pilot program is available for all Lafayette Centre associates, nurses, physicians (including residents and fellows), and Advanced Practice Providers.

You will benefit from:

- Saving time with scheduling appointments.
- Convenient appointment times that fit your schedule.
- Improved access to care for acute and chronic illnesses and injuries requiring a virtual or in-person visit.

To request an appointment:

1. Scan the QR code or contact **MedStarCares@medstar.net**
2. Complete a short questionnaire with your contact and insurance information, reason for visit and preferred day and time.
3. The care navigator will contact you with a scheduled appointment within two business days.
